

# JOIN OUR SUMMER SCHOOL IN DECARBONISATION & CHEMISTRY

 **FÉDÉRATION  
GAY-LUSSAC**  
20 ÉCOLES DE CHIMIE

THE 20  
CHEMISTRY GRADUATE  
SCHOOLS' NETWORK

**JULY 1-JULY 10 2026**

**IN MULHOUSE - FRANCE**

July 1, 2026

Introduction and presentation

July 1, 2026

CO<sub>2</sub> capture and Sustainability Workshop

July 2, 2026

Methanisation Bio Hydrogen and Different types of fuels cells and electrolyser cells with a focus on high temperature cells

July 3, 2026

company visit

July 3, 2026

Social Events

July 6, 2026

Sustainability Workshop and Digitalization

July 7, 2026

CO<sub>2</sub> capture and Decarbonization Policy

July 8, 2026

Life cycle assessment

July 8, 2026

company visit

July 9, 2026

CO<sub>2</sub> valorization

July 10, 2026

Biobased Polymers and From Waste to Energy Production

July 10, 2026

Gala evening
